## **You Have Choices In Your Health Care**

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. No matter what you decide, you are still in the Medicare Program.

You may be able to join or leave a plan only at certain times. ## Section I (continued)

### What Are My Protections In This Plan?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of HumanaChoice R5826-026 (Regional PPO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

# SECTION III - ABOUT YOUR PLAN

## HumanaChoice R5826-026 (Regional PPO)

This section further explains some of the benefits of your plan. To get a complete list of benefits, limitations, and exclusions, call HumanaChoice R5826-026 (Regional PPO) and ask for the "**Evidence of Coverage.**"

### HOW TO USE YOUR PLAN

#### ① Premium and Other Important Information

##### Maximum out-of-pocket limit

While most expenses apply to the maximum[s], the following don't:

- Your Optional Supplemental Benefit monthly premium(s) and services
- Routine vision services

##### Combined Deductible

All services received from in-network providers are excluded from the combined deductible.

The following services received from out-of-network providers are excluded from the combined deductible:

- Routine vision services
- Your Optional Supplemental Benefit monthly premium(s) and services

If you qualify for Medicaid coverage through your state, be sure to show your Medicaid ID card in addition to your HumanaChoice R5826-026 (Regional PPO) membership card to make your provider aware that you may have additional coverage.

#### ② Doctor and Hospital Choice

##### Choosing a doctor

As a HumanaChoice R5826-026 (Regional PPO) member, it's a good idea to select a doctor to act as your primary care physician (PCP). It's important to have someone focus on your total healthcare. A PCP can provide much of your care. He or she can help ensure you get preventive care, provide timely access to services and coordinate with other doctors if needed. This helps you improve and manage your health.

If you see any **out-of-network** doctors, please make sure they accept Medicare patients; otherwise, **you may have to pay more** for their services. Any doctors who refuse to accept HumanaChoice R5826-026 (Regional PPO) because they're not familiar with the plan can call our provider line, 1-800-457-4708, or visit **Humana-Medicare.com** for more information.

##### U.S. Travel Benefit

You have access to providers in the HumanaChoice R5826-026 (Regional PPO) network in all of our service areas. If you need non-emergency care while traveling outside the plan's service area, call Customer Service. We'll tell you whether you're in one of our other HumanaChoice R5826-026 (Regional PPO) service areas and help you find an in-network provider.

##### Authorization Requirements

Your provider will need an authorization from HumanaChoice R5826-026 (Regional PPO) before you receive certain services, except in an emergency or when care is urgently needed. The authorization process helps members receive appropriate and necessary Medicare-covered care and treatment. Providers in our network are aware of this process and will request the authorization. Without the authorization, your plan might not cover the services and you may have to pay the full cost.

## INPATIENT CARE

#### ③ Inpatient Hospital Care

#### ④ Inpatient Mental Health Care

#### ⑤ Skilled Nursing Facility (SNF)

Benefit periods don't apply to inpatient hospital care and inpatient mental health care. You pay the amounts shown in Section II each time you're admitted to a hospital, no matter how many days have passed since your last admission. If transferred to another inpatient facility - for example, to a long-term acute care center from an inpatient acute hospital - the day range will begin at one.

When admitted to a skilled nursing facility, you're covered for skilled care as defined by Original Medicare guidelines. No prior hospital stay is required. Your plan doesn't cover custodial care. HumanaChoice R5826-026 (Regional PPO) follows Original Medicare guidelines in determining authorization for skilled nursing facility services.

## OUTPATIENT CARE

You can receive outpatient services at different types of facilities. Usually, you pay only one copayment or coinsurance for each visit to an office or facility, no matter how many services you receive during the visit or the actual cost of those services. But if, for example, you receive care in your doctor's office and are then sent to another facility for additional services, you may have to pay an additional copayment or coinsurance.

## Complementary and Alternative Medicine

Complementary and alternative medicine (CAM) services include chiropractic, acupuncture, and massage. As a Humana member, you can get these services at a discount through the **Healthways WholeHealth Networks** (HWHN) of more than 35,000 practitioners.

Services include:

- **Acupuncture** - A trained professional uses very thin needles on different parts of the body. Needles are put just deep enough into the skin to keep them from falling out and are usually left in place for a few minutes. Acupuncture can be used to treat conditions such as pain, stomach problems, headaches, and more.
- **Massage** - A massage therapist uses hands and fingers to rub, press, and move your skin and muscles. A massage can relax and energize you and help heal muscles after an injury.
- **Chiropractic** - A chiropractor checks for problems in your spine and fixes them by using hands to adjust the spine, joints, and muscles.

### How the discount works

You don't need a referral to visit a practitioner in the HWHN network. You may see HWHN providers as often as you like – but you should talk with your primary care doctor about any treatment you're thinking about getting. If you're already seeing CAM professionals who are not on the HWHN list, you can ask that they be added to the network.

To get your discount, simply show the provider the discount card, which can be printed from **Humana.com**, or show your Humana ID card.

For details about the program, access the CAM website from **Humana.com**. Once you log in to MyHumana, go to:
