# OUTLINE OF MEDICARE SUPPLEMENT COVERAGE—COVER PAGE: BENEFIT PLANS MEDICARE SUPPLEMENT CORE THROUGH 1

Medicare Supplement Insurance can be sold in only two standard plans. This chart shows the benefits included in each plan. Every company must make available the "Core" plan. Companies may add certain benefits to the standard benefits, if approved by the Commissioner. Look at each company's materials to find out which benefits, if any, the company has added to the standard benefits for each plan it offers.

Basic Benefits: Included in all plans.

Hospitalization: Part A coinsurance coverage for the first 90 days per benefit period (not

including the Medicare Part A deductible) and the 60 Medicare lifetime reserve days, plus coverage for 365 additional days after Medicare benefits end. This shall also include benefits for biologically-based mental disorders.

Medical Expenses: Part B coinsurance (generally 20% of Medicare-approved expenses), or, in the

case of hospital outpatient department services under a prospective payment system, applicable copayments. This shall also include benefits for biologically-

based mental disorders.

**Blood:** First three pints of blood each year.

#### **Premium Information**

We, Tufts Health Plan, can only raise your premium if we raise the premium for all policies like yours in Massachusetts, and if approved by the Commissioner of Insurance. Upon your death, we will refund the unearned portion of the premium paid. If you cancel your Policy, we will refund the unearned portion of the premium paid. In the case of death the unearned portion of the premium will be refunded on a pro-rata basis.

#### **Disclosures**

Use this outline to compare benefits and premiums among Policies.

#### Read Your Policy Very Carefully

This is only an outline describing your Policy's most important features. The Policy is your insurance contract. You must read the Policy itself to understand all of the rights and duties of both you and your insurance company.

#### **Right To Return Policy**

If you find that you are not satisfied with your Policy, you may return it to Tufts Health Plan, Customer Relations, P.O. Box 9181, Watertown, MA 02471-9181. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

#### **Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new Policy and are sure you want to keep it. If you cancel your present Policy and then decide that you do not want to keep your new Policy, it may not be possible to get back the coverage of the present Policy.

#### **Notice**

This Policy may not fully cover all of your medical costs. Tufts Health Plan is not connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "Medicare & You" for more details.

#### Complete Answers Are Very Important

When you fill out the application for the new Policy, be sure to answer all the questions truthfully and completely.

The company may cancel your Policy and refuse to pay any claims if you leave out or falsify important information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

#### Massachusetts Summary

The Commissioner of Insurance has set standards for the sale of Medicare supplement insurance policies. Such policies help you pay hospital and doctor bills, and some other bills, that are not covered in full by Medicare. Please note that the benefits provided by Medicare and this Medicare Supplement Insurance Policy may not cover all of the costs associated with your treatment. It is important that you become familiar with the benefits provided by Medicare and your Medicare Supplement Insurance Policy. This Policy summary outlines the different coverages you have if, in addition to this Policy, you are also covered by Part A (hospital bills, mainly) and Part B (doctors' bills, mainly) of Medicare.

#### Massachusetts General Law

Under Massachusetts General Law. c. 112, s. 2, no physician who agrees to treat a Medicare beneficiary may charge to or collect from that beneficiary any amount in excess of the reasonable charge for that service as determined by the United States Secretary of Health and Human Services. This prohibition is commonly referred to as the "ban on balance billing." A physician is allowed to charge you or collect from your insurer a copayment or coinsurance for Medicare-covered services. However, if your physician charges you or attempts to collect from you an amount, which together with your copayment or coinsurance is greater than the Medicare-approved amount, please contact the Board of Registration in Medicine at (781) 867-8200. We cannot explain everything here. Massachusetts law requires that personal insurance policies be written in easy-to-read language. So, if you have questions about your coverage that are not answered here, read your Policy. If you still have questions, call Customer Relations at the telephone number listed on the back of this brochure. You may also wish to get a copy of "Medicare & You", a small book put out by Medicare that describes Medicare benefits.

## The Benefits To Premium Ratio For Tufts Medicare Preferred Supplement Core Is 86%.

This means that during the anticipated life of your Policy and others just like it, the company expects to pay out \$86 in claims made by you and all other Policyholders for every \$100 it collects in premiums. The minimum ratio allowed for Policies of this type is 65%. A higher ratio is to your advantage as long as it allows the company a reasonable return so that the product remains available.
