HPPlan F also has an option called a High Deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,070 deductible. Benefits from High Deductible Plan F will not begin until out-of-pocket expenses exceed \$2,070. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

Premium payments may be made on a calendar month, calendar quarter, semi-annual calendar year, or calendar year basis. For example, a monthly premium would be for the first day of a month through the last day of such month. A quarterly payment would be for any calendar quarterly period, such as January 1 through March 31. A semi-annual payment would be for the period of either January 1 through June 30 or July 1 through December 31. An annual premium would be for January 1 through December 31 of the applicable year.

The amount of your periodic premium payment will change as provided in the policy and from time to time based on changes in your coverage, including but not limited to, changes in benefits, payment obligations (such as deductible, coinsurance and copayments), your age, or other factors that require adjustments to the total premium. These changes may occur at times other than an annual or other policy renewal.

If you elected to authorize automatic premium withdrawals from a deposit account, the automatic withdrawal will change periodically to correspond with the applicable premium. Your authorization for automatic premium withdrawals shall include authorization for automatic withdrawal of any changed amount unless you call or provide your bank with written notice not less than three (3) business days before a scheduled withdrawal to stop the payment. If you call your bank to stop payment, you may be required to provide a written request within fourteen (14) days after your call. You will be responsible for any fee assessed by your bank for stop-payment orders that you make.
