Section C: Dental Coverage

The Affordable Care Act ("ACA") requires us to be reasonably assured that you and each member on this plan have coverage for pediatric dental services that are essential health benefits. The Affordable Care Act requires these benefits even if there is no one on the plan who is eligible for these services.

Carriers can offer this required pediatric dental coverage to you through benefit plans called "Exchange-certified stand-alone dental plans." These plans are also known as Dental Qualified Health Plans or Dental QHPs.

There are three ways to meet this requirement.

1. You can enroll in **BlueCare Dental℠**, our Full Dental QHP, which contains coverage for adults and pediatric dental essential health benefits; or
2. You can enroll in **BlueCare Dental 4 Kids℠**, our Limited Dental QHP, which only contains pediatric dental essential health benefits; or
3. You can confirm that you have obtained coverage for pediatric dental essential health benefits somewhere else.

Please review your options below and select **one**:

If you do not select an option then you and each member on the plan will be enrolled in BlueCare Dental 4 Kids 1B, our Limited Dental QHP, in order to meet ACA's requirement that we provide you coverage with pediatric dental services that are essential health benefits.
